**INTRODUCTION:**

**SNOWBASIN ADAPTIVE SPORTS AND EDUCATION FOUNDATION (SASEF), doing business as OGDEN VALLEY ADAPTIVE SPORTS (OVAS)**, has adopted the following Sport Protection policies as they relate specifically to **OVAS**-controlled activities and events, and facilities under **OVAS**' jurisdiction (to mean facilities owned and controlled by **OVAS**).

The mission of Ogden Valley Adaptive Sports is to help inspire confidence, build self-esteem, and recognize individual achievement for people with adaptive needs. Our fundamental goal is to provide high quality, personalized, safe and fun experiences to individuals and families through sports and recreation.

Engaging in sports and recreation should be an opportunity for all persons with disabilities to have fun and spend time with friends. Sports and recreation also encourage a healthy lifestyle and build self-confidence. Disabled athletes and students often do better off the field than those who do not participate in sport. They learn goal-setting, teamwork and time management skills. Athletes are less likely to use cigarettes, drugs and alcohol; they have higher graduation rates and are more likely to attend college.

Unfortunately, sports and recreation can also be a high-risk environment for misconduct, including athlete physical and sexual abuse.

**All forms of misconduct are intolerable and in direct conflict with the ideals of Ogden Valley Adaptive Sports.** Misconduct may damage an athlete's psychological well-being; athletes who have been mistreated experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and negative impacts on family, friends and the sport. Misconduct often hurts an athlete's performance and may cause him or her to drop out of sport entirely.

**Ogden Valley Adaptive Sports** is committed to improving the development and safety of athletes and participants involved in the community we serve. **Ogden Valley Adaptive Sports** publishes this Handbook as a resource to guide **OVAS**' development, implementation and internal review of effective athlete safety and misconduct prevention strategies.

**MOVE UNITED RELATIONSHIP**

**Ogden Valley Adaptive Sports** is a chapter member of Move United, and is required to have a written and publicly available Sport Protection Policy that meets the minimum standards of Move United.

**Ogden Valley Adaptive Sports' Sport Protection Policies shall govern individual's responsibilities for this chapter and may include additional or different policies that relate to this specific organization, but such policies may be no less restrictive than those outlined by Move United, or as otherwise required by law. Chapter members are solely responsible for their own compliance with the Protecting Young Victims from Sexual Abuse and Safe Sport Reauthorization Act of 2017 and other applicable state or federal law.**

## **ACTIVITIES OUTSIDE Ogden Valley Adaptive Sports**

Many Participants may find themselves to be additionally involved with other various local and grassroots programs or organizations not under the authority or control of **OVAS**. The policies contained in this Handbook govern activities run directly by **OVAS**. However, misconduct by a Covered Individual or a Participant (as defined below), outside of the context of **OVAS** may also be grounds for penalties, including, but not limited to, prohibiting an individual from participating with **OVAS**.

**The policies contained in this Handbook apply to Participants and Covered Individuals (defined below), as described herein.**

## **DEFINITIONS**

### **A. Athlete / Student**

An individual participating as an athlete or student in an **OVAS program lesson or** event. For the purposes of this policy document, all references to an "athlete" are synonymous with "student", as OVAS provides professional ski and snowboard lessons as its primary mission. Our "athletes" are "students" in the professional ski instruction sense of the word.

### **B. Child Abuse**

The term "child abuse" has the meaning set forth in Section 203 of the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341) or any applicable state law.

### **C. Claimant**

The person who is alleged to have experienced conduct that constitutes a Handbook violation.

### **D. Consent**

Consent is (a) informed (knowing), (b) voluntary (freely given), (c) active (not passive). Consent must be demonstrated by clear words or actions, indicating that a person who is legally and functionally competent has indicated permission to engage in mutually agreed-upon sexual activity. Consent to any one form of sexual activity does not automatically imply Consent for any other forms of sexual activity. Previous relationships or prior Consent does not imply Consent to future sexual activity. Once given, Consent can be withdrawn through clear communication. Consent cannot be obtained: (a) by force, (b) by taking advantage of the Incapacitation of another, where the person initiating sexual activity knew or reasonably should have known that the other was Incapacitated, (c) from someone who lacks legal capacity, (d) where a Power Imbalance exists.

#### **1. Force**

Force includes (a) the use of physical violence, (b) threats, (c) intimidation, and (d) coercion.

a. Physical violence means that a person is exerting control over another person using physical force. Examples of physical violence include hitting, punching, slapping, kicking, restraining, choking, and brandishing or using any weapon.

b. Threats are words or actions that would compel a reasonable person to engage in unwanted sexual activity. Examples include threats to harm a person physically, to reveal private information to harm a person's reputation, or to cause a person sporting harm.

c. Intimidation is an implied threat that menaces or causes reasonable fear in another person. A person's size, alone, does not constitute intimidation; however, a person's size may be used in a way that constitutes intimidation (e.g., blocking access to an exit).

d. Coercion is the use of an unreasonable amount of pressure to gain intimate and/or sexual access. Coercion is more than an effort to persuade, entice, or attract another person to engage in sexual activity. When a person makes clear their decision not to participate in a form of Sexual Contact or Sexual Intercourse, their decision to stop, or their decision not to go beyond a certain sexual interaction, continued pressure can be coercive. Whether conduct is coercive depends on: (i) the frequency of the application of the pressure, (ii) the intensity of the pressure, (iii) the degree of isolation of the person being pressured, and (iv) the duration of the pressure.

## **2. Legal Capacity**

Minors cannot Consent to conduct of a sexual nature. While the legal age of Consent varies under state and federal law, the legal age of capacity under this Handbook is 18. A three-year close-in-age exception will be applied to any policy violation between an adult and a Minor, or between two Minors, where there is no Power Imbalance. When the assessment of whether a Participant's conduct violates this Policy depends upon another individual being below a certain specified age, ignorance of their actual age is no defense. Neither shall misrepresentation of age by such person, nor a Participant's bona fide belief that such person is over the specified age, be a defense.

## **3. Incapacitation**

Incapacitation means that a person lacks the ability to make informed, rational judgments about whether to engage in sexual activity. A person who is incapacitated is unable, temporarily or permanently, to give Consent because of mental or physical helplessness, sleep, unconsciousness, or lack of awareness that sexual activity is taking place. A person may be incapacitated because of consuming alcohol or other drugs, or due to a temporary or permanent physical or mental health condition. Incapacitation is a state beyond drunkenness or intoxication. A person is not necessarily incapacitated merely because of drinking or using drugs. The impact of alcohol and other drugs varies from person to person and is evaluated under the specific circumstances of a matter. A Respondent's being impaired by alcohol or other drugs is not a defense to any violation of this Policy. The Consent construct can also be applied to other forms of non-sexual conduct, such as hazing or other forms of Physical and/or Emotional Misconduct.

**F. Covered Individual:** Covered Individuals are:

- **All Ogden Valley Adaptive Sports** employees
- **Ogden Valley Adaptive Sports** volunteers authorized by **OVAS** to have regular contact with minor student / athletes and/or wards participating in OVAS programs. Regular contact is defined as participating in two or more winter sports lessons in a season. Parent/guardian and immediately family member (siblings and grandparents) volunteers who only participate with their child/family member / ward are exempt and not considered Covered Individuals.
- **Ogden Valley Adaptive Sports** part-time or seasonally contracted coaches/instructors, whether volunteer or paid
- **Ogden Valley Adaptive Sports** Board of Directors
- **Ogden Valley Adaptive Sports** Committee members (if they have regular contact as defined above with minor students).
- **Ogden Valley Adaptive Sports** contractors, not included above, who **OVAS** authorizes to have regular contact with athletes and/or minors
- Any other individual authorized, approved, or appointed by **OVAS to** have regular contact with athletes and/or minors

### **G. Minor or Child**

An individual who is, or is believed by the Respondent to be, under the age of 18.

### **H. Participant**

Any individual who is seeking to be, currently is, or was at the time of the alleged Handbook violation:

- a. A member or license holder of **OVAS**;
- b. An employee of **OVAS**;
- c. Within the governance or disciplinary jurisdiction of **OVAS**;
- d. Authorized, approved, or appointed by **OVAS** to have regular contact with Minor Athletes; and/or
- e. A Covered Individual, not otherwise listed herein.

Provided, however, that misconduct by a Participant directed at an “athlete” outside of the context of **OVAS**’ programs may also be grounds for **OVAS** to restrict a Participant’s participation with **OVAS** or take other action. For the purpose of evaluating whether an individual is considered a Participant per this provision, the phrase “currently is” includes the date on which the alleged misconduct was reported to **OVAS**, through resolution, and including the period(s) of any sanctions imposed.

### **I. Policy**

“Policy” means the Sport Protection Policy within this Handbook

### **J. Power Imbalance**

A Power Imbalance may exist where, based on the totality of the circumstances, one person has supervisory, evaluative, or other authority over another. Whether there is a Power Imbalance depends

on several factors, including but not limited to: the nature and extent of the supervisory, evaluative or other authority over the person; the actual relationship between the parties; the parties' respective roles; the nature and duration of the relationship; the age of the parties involved; whether there is an aggressor; whether there is a significant disparity in age, size, strength, or mental capacity. Once a coach-Athlete relationship is established, a Power Imbalance is presumed to exist throughout the coach-Athlete relationship (regardless of age) and is presumed to continue for Minor Athletes after the coach-Athlete relationship terminates until the Athlete reaches 20 years of age. A Power Imbalance may exist, but is not presumed, where an Intimate Relationship existed before the sport relationship (e.g., a relationship between two spouses or life partners that preceded the sport relationship).

**K. Respondent**

A Participant who is alleged to have violated the Handbook.

**L. Third-Party Reporter**

Reports brought by individuals other than the Claimant are referred to as "third-party reports" and those bringing them are "third-party reporters."

**M. Ward**

An individual, whether an adult or a minor, who has a legal guardian.

## **SECTION 1: TRAINING AND EDUCATION**

**Ogden Valley Adaptive Sports** requires mandatory reporting of abuse, misconduct and violations of its Handbook by Covered Individuals. Covered Individuals are required to report any suspicion of or observed misconduct or violation of the policies of this Handbook.

To facilitate reporting, Covered Individuals should have a basic understanding of sexual abuse, as well as “grooming,” the most common strategy offenders use to seduce their victims. Using a combination of attention, affection and gifts, offenders select a victim, win the victim’s trust (and the trust of the victim’s parent or guardian), manipulate the victim into sexual activity, and keep the victim from disclosing abuse. Accordingly, Covered Individuals shall complete awareness training concerning misconduct in sport before performing services for **OVAS**.

Covered Individuals must successfully complete the training and quiz after the test in order to be eligible to participate with **OVAS**. **Ogden Valley Adaptive Sports** has partnered with the Center on SafeSport to provide training through Safesport.org

Covered Individuals are required to take awareness training, or a refresher course, as applicable, every year, the first training to commence no more than 30 day(s) before they have contact with athletes and/or minors in connection with **OVAS**. In the case of coach/instructor selected to serve camps or events, training must be completed prior to the coach/instructor’s participation in any **OVAS** pre-event training camp.

Training will also be made available annually to minor athletes, subject to parental consent. OVAS will advise parents that several “tracks” are available for training; the parent will ultimately choose the track most suitable for the child based on his or her age and cognition level. Ogden Valley Adaptive Sports is committed to ensuring the safety of our clients and their family members and will offer SafeSport training to them free of charge.

## **SECTION 2: BACKGROUND SCREENING**

### **APPLICANT SCREENING**

Covered Individuals must consent to, and pass, a formal screening process before performing services for **OVAS** or having contact with athletes or minors in their role with **OVAS**.

Elements of **OVAS**’ screening process include, as applicable, successful completion of an application, interview, reference check and criminal background check.

### **EDUCATION ABOUT OVAS’ PROTECTION POLICIES**

To deter applicants who may be at risk of abusing athletes or participants from applying for positions, **OVAS** educates its applicants about its protection policies and offers applicants an early opt-out by:

- Informing applicants about **OVAS**’ policies and procedures relevant to prevention

- Asking applicants to review and agree to **OVAS**' policies and procedures before proceeding with the process
- Requiring applicants to sign a document acknowledging review of **OVAS**' policies and procedures
- Requiring awareness training before working with athletes, minors, and other **OVAS** participants

### **WRITTEN APPLICATIONS**

Each applicant for a position will complete an application form consisting of personal identifying information and a general release with the applicant's signature.

The written application will:

- Ask about previous work and volunteer experiences
- Ask questions intended to elicit information concerning high-risk behaviors
- Provide a written release for contacting an applicant's personal references, including an indemnification clause
- Ask open-ended questions that encourage broad answers

Following a personal interview, if applicable, **OVAS** will:

- Use disclosure statements to ask applicants about criminal arrests, charges or convictions
- Provide a written release for performing a criminal background check, including an indemnification clause
- Provide the applicant's name to **OVAS**' background check vendor

### **PERSONAL INTERVIEW**

For employee applicants, appropriate staff will interview employee applicants whose experience and credentials are considered a fit for available positions.

In the case of Board and committee applicants, the Executive committee of the Board of Directors will interview applicants whose experience and credentials are considered a fit for available positions.

During this interview, **OVAS** will ask questions to encourage discussion, clarify responses and expand on the applicant's answers to questions from the written application.

### **REFERENCES**

References of applicants may be contacted (either by phone, email or in writing) and asked specific questions regarding the applicant's professional experiences, demeanor and appropriateness for involvement with athletes with disabilities, minors, and other **OVAS** participants.

### **RELEASE**

Applicants may be required to provide a signed release, consistent with applicable law, that allows references to speak freely about the applicant's qualifications without fear of reprisal and authorizing **OVAS** to obtain information concerning an applicant's past employment, volunteer experience and

information provided by the applicant during the screening process (i.e., written application and personal interview).

### **CRIMINAL BACKGROUND DISCLOSURES**

Each applicant has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting criminal history or any other information provided by an applicant during the screening process is grounds for employment, volunteer and/or membership revocation or restriction, regardless of when the offense is discovered. Furthermore:

- If an applicant is arrested, indicted, charged, has pending charges, pleads guilty or no contest, or is convicted of a crime during the screening process, the applicant is required to disclose such information immediately.
- In the event a person is serving as a Covered Individual and is arrested, indicted, charged, has pending charges, pleads guilty or not contest, or is convicted after the completion of the screening process, he or she has an affirmative duty to disclose such information immediately to his or her OVAS supervisor and the President of the OVAS Board of Directors
- **Any applicant who has been banned by another sport organization, including, without limitation, the U.S. Center for SafeSport or a National Governing Body, as temporarily or permanently ineligible, must self-disclose this information. Failure to disclose is a basis for disqualification of applicants and/or other penalty or restriction.**

### **CRIMINAL BACKGROUND CHECK POLICY**

All Covered Individuals, as defined above, are required to undergo a criminal background check that complies with the Fair Credit Reporting Act **before** providing services for OVAS. Through this criminal background check, OVAS will utilize reasonable efforts to ascertain past criminal history of an applicant.

### **PROCESS**

The Criminal Background Check Consent and Waiver Release form must be submitted and the applicant cleared by the third-party provider before he or she may perform services for OVAS or have contact with athletes or minors.

### **FINDINGS**

Notice of criminal background check findings will be provided to:

- (1) The designated staff contact at OVAS administers applications;
- (2) In the case of Board and committees, the President of the Board of Directors.

Ogden Valley Adaptive Sports' criminal background check report will return a "red light" or "green light" score. A **green light** score means that the background check vendor located no records that would disqualify the applicant. A green light score, however, is not a certification of safety or permission to bypass/ignore other screening efforts. Other disqualifying factors may exist, and can be revealed through an interview, reference checks and a completed application.

A **red light** finding means the criminal background check revealed criminal records that indicate the applicant “does not meet the criteria” and is not suitable for organization employment, volunteer assignment, or other participation with **OVAS**.

**Red lights** are any disposition or resolution of a criminal proceeding, other than an adjudication of not guilty, including, but not limited to an adjudication of guilt or admission to a criminal violation, a plea to the charge or a lesser included offense, a plea of no contest, any plea analogous to an Alford or Kennedy plea, the disposition of the proceeding through a diversionary program, deferred adjudication, deferred prosecution, disposition of supervision, conditional dismissal, juvenile delinquency adjudication, or similar arrangement, or any pending criminal charge(s) or warrant(s) for arrest, for the following crimes:

**Automatic red lights** (automatic disqualification)

(1) Any felony involving:

- a. Violence against a person;
- b. Violent crimes involving weapons (including armed robbery and aggravated assault with a weapon);
- c. Animal abuse or animal neglect.

(2) Any felony or misdemeanor involving:

- a. All sexual crimes (excluding only those potential disqualifiers in 3(c) below);
- b. Drug use or possession (including the use of drug paraphernalia), within the previous three years;
- c. Other drug related crimes including drug distribution, intent to distribute, manufacturing, trafficking, or sale within the previous seven years;
- d. Child endangerment, neglect or abuse;
- e. Neglect or abuse of an elderly or disabled individual.

(3) A Covered Individual who is currently on any state, federal, territorial, or tribal sex offender registry is ineligible to participate with **OVAS** in any capacity.

**Potential red lights** (these crimes shall cause an individual to be subject to review for disqualification, but disqualification is not necessarily automatic)

(1) Other felonies not included in Automatic red lights, above.

(2) Crimes involving vehicular bodily harm;

(3) Other misdemeanors for:

- a. Drug-related crimes not covered in Automatic red lights, above;

- b. Violence against a person (including crimes involving firearms);
- c. Prostitution, indecent exposure, or public indecency;
- d. Stalking or harassment;
- e. Destruction of property, including arson, vandalism, and criminal mischief;
- f. Animal abuse or neglect.

When assessing whether conduct constitutes a red light, **OVAS** may assess and rely upon the original charges, amended charges, and those to which a plea was entered.

#### **APPEAL TO CRIMINAL BACKGROUND CHECK VENDOR**

Any disqualified individual has the right to dispute the accuracy of the findings of the criminal background check directly with the **OVAS'** approved Criminal Background Check Vendor. A disqualified individual may not appeal the disqualification or the results of the findings of the criminal background check vendor to **OVAS is** required by the policy to accept the findings of the approved criminal background check vendor.

Individuals disqualified based on the results of their criminal background check are excluded from participation in any **OVAS** sanctioned events and/or activities, and any offer of employment or participation with **OVAS** may be rescinded. If the individual is currently participating with **OVAS**, that individual may be, among other things, terminated, suspended, or banned from participation with **OVAS**.

#### **FREQUENCY OF CRIMINAL BACKGROUND CHECKS**

Criminal background checks will be refreshed every year, or as otherwise required by law, for Covered Individuals who are 18 years of age or older and perform services for **OVAS**.

#### **AFFIRMATIVE DUTY TO DISCLOSE**

If, during the course of employment or participation in **OVAS'** program, a Covered Individual is subject to any disposition or resolution of a criminal proceeding, other than an adjudication of not guilty, including, but not limited to an adjudication of guilt or admission to a criminal violation, a plea to the charge or a lesser included offense, a plea of no contest, any plea analogous to an Alford or Kennedy plea, the disposition of the proceeding through a diversionary program, deferred adjudication, deferred prosecution, disposition of supervision, conditional dismissal, juvenile delinquency adjudication, or similar arrangement, or any pending criminal charge(s) or warrant(s) for arrest, it is the duty and responsibility of the Covered Individual to notify the OVAS supervisor and President of the Board of Directors. Covered Individuals are further required to disclose Other Potentially Disqualifying Factors, below, if such factor becomes applicable while the Covered Individual is involved in **OVAS**.

#### **OTHER POTENTIALLY DISQUALIFYING FACTORS**

Even if an individual passes a criminal background check, other factors may disqualify the individual. An individual may be disqualified and prohibited from providing services for, or otherwise participating with, **OVAS** if the individual has:

- Been held liable for civil penalties or damages involving sexual or physical abuse or misconduct

- Been subject to any court order involving any sexual or physical abuse or misconduct, including, but not limited to, a domestic order or protection
- A history with another organization (employment, volunteer, etc.) of complaints of sexual or physical abuse or misconduct
- Been banned by another sport organization, including, without limitation, the U.S. Center for SafeSport or a National Governing Body, as temporarily or permanently ineligible
- Resigned, been terminated or been asked to resign from a position – paid or unpaid – due to complaint(s) of sexual or physical abuse or misconduct
- A history of other behavior that indicates they may be a danger to participants in **OVAS**: or
- Not met the job requirements

#### **REVIEW OF DISQUALIFIERS**

**Ogden Valley Adaptive Sports** will review its disqualifiers every two years or as otherwise required or modified by law.

#### **RECORDS**

Records are secured by **OVAS** for a period indicated by applicable law or seven years after the individual is no longer affiliated with **OVAS**, whichever date is later.

## **SECTION 3: SPORT PROTECTION POLICY**

### **COMMITMENT TO SAFETY**

#### **Overview**

**Ogden Valley Adaptive Sports** is committed to creating a safe and positive environment for athletes' physical, emotional and social development and to ensuring that it promotes an environment free of misconduct. **Ogden Valley Adaptive Sports** recognizes that the process for training and motivating athletes will vary with each coach and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct.

#### **Application**

This Sport Protection Policy applies to Covered Individuals, **OVAS** athletes/students, and other **OVAS** participants, as discussed below.

#### **PROHIBITED CONDUCT**

This section of the Handbook sets forth expectations for Participants related to emotional, physical, and sexual misconduct in sport, including bullying, hazing, and harassment.

The privilege of participation with **OVAS** may be limited, conditioned, suspended, terminated, or denied if a Participant's conduct is or was inconsistent with this Handbook and/or the best interest of sport and those who participate in it.

It is a violation of the Handbook and this Policy for a Participant to engage in or tolerate: (1) Prohibited Conduct, as outlined in this Policy; (2) any conduct that would violate any current or previous U.S. Center for SafeSport (the "Center"), **OVAS**, or chapter standards analogous to Prohibited Conduct that existed at the time of the alleged conduct; or (3) any conduct that would violate community standards analogous to Prohibited Conduct that existed at the time of the alleged conduct, including then applicable criminal and/or civil laws.

Prohibited Conduct also includes:

- A. Child Abuse
- B. Sexual Misconduct
- C. Emotional and Physical Misconduct, including Stalking, Bullying, Hazing, and Harassment
- D. Aiding and Abetting
- E. Misconduct Related to Reporting
- F. Other Inappropriate Conduct

#### **A. Child Abuse**

It is a violation of this Policy for a Participant to engage in Child Abuse.

## **B. Sexual Misconduct**

It is a violation of this Policy for a Participant to engage in Sexual Misconduct. Sexual Misconduct offenses include, but are not limited to:

1. Sexual or Gender-related Harassment
2. Non-consensual Sexual Contact (or attempts to commit the same)
3. Non-consensual Sexual Intercourse (or attempts to commit the same)
4. Sexual Exploitation
5. Bullying or hazing, or other inappropriate conduct of a sexual nature.

### **1. Sexual or Gender-related Harassment**

Sexual harassment is any unwelcome sexual advance, request for sexual favors, or other unwanted conduct of a sexual nature, whether verbal, non-verbal, graphic, physical, or otherwise, when the conditions outlined in (a) and/or (b), below, are present. Sexual harassment includes harassment related to gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, when the conditions outlined in (a) and/or (b), below, are present.

a. Submission to such conduct is made, either explicitly or implicitly, a term or condition of any person's employment, standing in sport, or participation in events, sports programs and/or activities; or when submission to or rejection of such conduct is used as the basis for sporting decisions affecting the individual (often referred to as "quid pro quo" harassment); or

b. Such conduct creates a hostile environment. A "hostile environment" exists when the conduct is sufficiently severe, persistent, and/or pervasive such that it interferes with, limits, or deprives any individual of the opportunity to participate in any program or activity. Conduct must be deemed severe, persistent, or pervasive from both a subjective and an objective perspective. Whether a hostile environment exists depends on the totality of known circumstances, including, but not limited to:

- i. The frequency, nature, and severity of the conduct;
- ii. Whether the conduct was physically threatening;
- iii. The effect of the conduct on the Claimant's mental or emotional state;
- iv. Whether the conduct was directed at more than one person;
- v. Whether the conduct arose in the context of other discriminatory conduct;
- vi. Whether the conduct unreasonably interfered with any person's educational or work performance and/or sport programs or activities; and
- vii. Whether the conduct implicates concerns related to protected speech.

A hostile environment can be created by persistent or pervasive conduct or by a single or isolated incident that is sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment, particularly if the conduct is physical. A single incident of sexual contact without Consent, for example, may be sufficiently severe to constitute a hostile environment. In contrast, the perceived offensiveness of a single verbal or written expression, standing alone, is typically not sufficient to constitute a hostile environment.

## **2. Nonconsensual Sexual Contact**

It is a violation of this Policy for a Participant to engage in Sexual Contact without Consent. Sexual Contact is any intentional touching of a sexual nature, however slight, with any object or body part (as described below), by a person upon another person. Sexual Contact includes but is not limited to: (a) kissing, (b) intentional touching of the breasts, buttocks, groin or genitals, whether clothed or unclothed, or intentionally touching of another with any of these body parts; and (c) making another touch themselves, the Participant, or someone else with or on any of these body parts.

## **3. Nonconsensual Sexual Intercourse**

It is a violation of this Policy for a Participant to engage in Sexual Intercourse without Consent.

Sexual Intercourse is any penetration, however slight, with any object or body part (as described below), by a person upon another person. Sexual Intercourse includes (a) vaginal penetration by a penis, object, tongue, or finger; (b) anal penetration by a penis, object, tongue, or finger; and (c) any contact, no matter how slight, between the mouth of one person and the genitalia of another person.

## **4. Sexual Exploitation**

It is a violation of this Policy for a Participant to engage in Sexual Exploitation. Sexual Exploitation occurs when a Participant purposely or knowingly:

- a. Allows third parties to observe private sexual activity from a hidden location (e.g., closet) or through electronic means (e.g., Skype or live-streaming of images) without Consent of all parties involved in the sexual activity.
- b. Records or photographs private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without Consent of all parties in the recording or photo.
- c. Engages in voyeurism (e.g., watching private sexual activity or viewing another person's intimate parts when that person would have a reasonable expectation of privacy), without Consent of all parties being viewed.
- d. Disseminates, shows or posts images of private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without prior Consent of the person depicted in the images.
- e. Intentionally exposes another person to a sexually transmitted infection or virus without that person's knowledge.
- f. Engages in prostituting or trafficking another person.

## **5. Bullying, Hazing, or Other Inappropriate Conduct of a Sexual Nature.**

It is a violation of this Policy for a Participant to engage in bullying, hazing, and other inappropriate conduct of a sexual nature, as further defined in the corresponding sections below.

### **C. Emotional and Physical Misconduct**

It is a Handbook violation for a Participant to engage in emotional and/or physical misconduct, when that misconduct occurs within a context that is reasonably related to sport, which includes, without limitation:

1. Emotional Misconduct
2. Physical Misconduct
3. Bullying Behaviors
4. Hazing
5. Harassment.

#### **1. Emotional Misconduct**

Emotional Misconduct includes (a) Verbal Acts, (b) Physical Acts, (c) Acts that Deny Attention or Support, (d) Criminal Conduct, and/or (e) Stalking. Emotional Misconduct is determined by the objective behaviors, not whether harm is intended or results from the behavior.

##### **a. Verbal Acts**

Repeatedly and excessively verbally assaulting or attacking someone personally in a manner that serves no productive training or motivational purpose.

##### **b. Physical Acts**

Repeated and/or severe physically aggressive behaviors, including but not limited to, throwing sport equipment, water bottles or chairs at or in the presence of others, punching walls, windows or other objects.

##### **c. Acts that Deny Attention or Support**

Ignoring or isolating a person for extended periods of time, including routinely or arbitrarily excluding a Participant from practice.

##### **d. Criminal Conduct**

Emotional Misconduct includes any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

##### **e. Stalking**

Stalking occurs when a person purposefully engages in a course of conduct directed at a specific person, and knows or should know, that the course of conduct would cause a reasonable person to (i) fear for their safety, (ii) the safety of a third person, or (iii) to experience substantial emotional distress.

“Course of conduct” means at least two or more acts, in which a person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about another person, or interferes with another person’s property.

“Substantial emotional distress” means significant mental suffering or anguish.

Stalking also includes “cyber-stalking,” wherein a person stalks another using electronic media, such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact.

#### **f. Exclusion**

Emotional Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improved Athlete performance. Emotional Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant’s participation.

### **2. Physical Misconduct**

Physical Misconduct is any intentional contact or noncontact behavior that causes, or reasonably threatens to cause, physical harm to another person.

Examples of physical misconduct may include, without limitation:

#### **a. Contact violations**

Punching, beating, biting, striking, choking or slapping another; intentionally hitting another with objects, such as sporting equipment; encouraging or knowingly permitting an Athlete to return to play prematurely following a serious injury (e.g., a concussion) and without the clearance of a medical professional.

#### **b. Non-contact violations**

Isolating a person in a confined space, such as locking an Athlete in a small space; forcing an Athlete to assume a painful stance or position for no athletic purpose (e.g., requiring an athlete to kneel on a harmful surface); withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; providing alcohol to a person under the legal drinking age; providing illegal drugs or non-prescribed medications to another.

#### **c. Criminal Conduct**

Physical Misconduct includes any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

#### **d. Exclusion**

Physical Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance. For example, hitting, punching and kicking are well-regulated forms of contact in combat sports, but have no place in swimming. Physical Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant's participation.

### **3. Bullying Behavior**

Repeated and/or severe behavior(s) that are (a) aggressive (b) directed at a Minor, and (c) intended or likely to hurt, control, or diminish the Minor emotionally, physically or sexually. Bullying-like behaviors directed at adults are addressed under other forms of misconduct, such as Hazing and/or Harassment.

Examples of bullying behavior may include, without limitation, repeated and/or severe:

#### **a. Physical**

Hitting, pushing, punching, beating, biting, striking, kicking, choking, spitting or slapping, or throwing objects (such as sporting equipment) at another person.

#### **b. Verbal**

Ridiculing, taunting, name-calling or intimidating or threatening to cause someone harm.

#### **c. Social, including cyberbullying**

Use of rumors or false statements about someone to diminish that person's reputation; using electronic communications, social media or other technology to harass, frighten, intimidate or humiliate someone; socially excluding someone and asking others to do the same.

#### **d. Sexual**

Ridiculing or taunting based on gender or sexual orientation (real or perceived), gender traits or behavior, or teasing someone about their looks or behavior as it relates to sexual attractiveness.

#### **e. Criminal Conduct**

Bullying Behavior includes any conduct described as bullying under federal or state law.

#### **f. Exclusion**

Conduct may not rise to the level of Bullying Behavior if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Bullying does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

### **4. Hazing**

Any conduct that subjects another person, whether physically, mentally, emotionally or psychologically, to anything that may endanger, abuse, humiliate, degrade or intimidate the person as a condition of joining or being socially accepted by a group, team, or organization.

Purported Consent by the person subjected to Hazing is not a defense, regardless of the person's perceived willingness to cooperate or participate.

Examples of Hazing include:

**a. Contact acts**

Tying, taping or otherwise physically restraining another person; beating, paddling or other forms of physical assault.

**b. Non-contact acts**

Requiring or forcing the consumption of alcohol, illegal drugs or other substances, including participation in binge drinking and drinking games; personal servitude; requiring social actions (e.g., wearing inappropriate or provocative clothing) or public displays (e.g., public nudity) that are illegal or meant to draw ridicule; excessive training requirements demanded of only particular individuals on a team that serve no reasonable or productive training purpose; sleep deprivation; otherwise unnecessary schedule disruptions; withholding of water and/or food; restrictions on personal hygiene.

**c. Sexualized acts**

Actual or simulated conduct of a sexual nature.

**d. Criminal acts**

Any act or conduct that constitutes hazing under applicable federal or state law.

**e. Exclusion**

Conduct may not rise to the level of Hazing if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Hazing does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

**5. Harassment**

Repeated and/or severe conduct that (a) causes fear, humiliation or annoyance, (b) offends or degrades, (c) creates a hostile environment (as defined above), or (d) reflects discriminatory bias in an attempt to establish dominance, superiority or power over an individual or group based on age, race, ethnicity, culture, religion, national origin, or mental or physical disability; or (e) any act or conduct described as harassment under federal or state law. Whether conduct is harassing depends on the totality of the circumstances, including the nature, frequency, intensity, location, context, and duration of the behavior. Conduct may not rise to the level of Harassment if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as

part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions.

Harassment does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

#### **D. Aiding and Abetting**

Aiding and Abetting is any act taken with the purpose of facilitating, promoting, or encouraging the commission of Prohibited Conduct by a Participant. Aiding and Abetting also includes, without limitation, knowingly:

1. Allowing any person who has been identified as suspended or otherwise ineligible by **OVAS** to be in any way associated with or employed by an organization affiliated with or holding itself out as affiliated with **OVAS**;
2. Allowing any person who has been identified as suspended or otherwise ineligible by **OVAS** coach or instruct Participants;
3. Allowing any person who has been identified as ineligible by **OVAS** to have ownership interest in a facility, an organization, or its related entities, if that facility/organization/related entity is affiliated with or holds itself out as affiliated with **OVAS**.
4. Providing any coaching-related advice or service to an Athlete who has been identified as suspended or otherwise ineligible by **OVAS**;
5. Allowing any person to violate the terms of their suspension or any other sanctions imposed by **OVAS**. In addition, a Participant also violates this Policy if someone acts on behalf of the Participant to engage in Aiding or Abetting, or if the guardian, family member, or Advisor of a Participant, including Minor Participants, engages in Aiding or Abetting.

#### **E. Misconduct Related to Reporting**

##### **1. Failure to Report**

An adult Participant who fails to report actual or suspected Sexual Misconduct or Child Abuse to **OVAS** and, when appropriate, to law enforcement may be subject to disciplinary action under **OVAS'** resolution procedures and may also be subject to federal or state penalties.

- a. The obligation to report is broader than reporting a pending charge or criminal arrest of a Participant; it requires reporting to **OVAS**, and law enforcement if applicable, any conduct which, if true, would constitute Sexual Misconduct and/or Child Abuse. The obligation to report to **OVAS** is an ongoing one and is not satisfied simply by making an initial report. The obligation includes reporting, on a timely basis, all information of which an adult Participant becomes aware, including the names of witnesses, third-party reporters, and Claimants.
- b. **OVAS** requires any employee or volunteer who has reason to believe a client has been subjected to abuse or neglect, or who observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect, to immediately contact the nearest peace

officer, law enforcement agency, or Division of Child and Family Services office, and to inform the Program Director and Operations Director.

- c. The purpose of this policy is to ensure that all employees and volunteers report, and participate in investigations of, suspected child abuse or neglect as required by state law.

b. The obligation to report includes personally identifying information of a potential Claimant to the extent known at the time of the report, as well as a duty to reasonably supplement the report as to identifying information learned at a later time.

c. Participants should not investigate or attempt to evaluate the credibility or validity of allegations involving Sexual Misconduct and/or Child Abuse. Participants making a good faith report are not required to prove the reports are true before reporting.

### 2. Intentionally Filing a False Allegation

In addition to constituting misconduct, filing a knowingly false allegation that a Participant engaged in Prohibited Conduct may violate state criminal law and civil defamation laws. Any person making a knowingly false allegation in a matter over which **OVAS** exercises jurisdiction shall be subject to disciplinary action by **OVAS**.

a. An allegation is false if the events reported did not occur, and the person making the report knows the events did not occur.

b. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable misconduct, an unsubstantiated allegation alone is not grounds for a Handbook violation.

### 3. Retaliation

Retaliation against anyone for engaging in **OVAS'** processes is prohibited. A Participant, someone acting on behalf of a Participant, a chapter, **OVAS**, or anyone subject to the Handbook, shall not take an adverse action against any person for making a good faith report of a possible Handbook violation to **OVAS** or other relevant organization as identified herein or for participating in any process under this Handbook.

Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in **OVAS'** processes when the action is reasonably related to the report or engagement with **OVAS**. Retaliation may be present even where

there is a finding that no violation occurred. Retaliation does not include good-faith actions lawfully pursued in response to a report of a Handbook violation.

## **F. Other Inappropriate Conduct**

### **1. Intimate Relationship**

An adult Participant violates this Policy by engaging in an intimate or romantic relationship where a Power Imbalance exists. An Intimate or Romantic relationship is a close personal relationship—other than a familial relationship—that exists independently and outside of the sport relationship. Whether a relationship is intimate is based on the totality of the circumstances, including: regular contact and/or interactions outside of or unrelated to the sport relationship (electronically or in person), the parties' emotional connectedness, the exchange of gifts, ongoing physical and/or intimate contact and/or sexual activity, identity as a couple, the sharing of sensitive personal information, and/or intimate knowledge about each other's lives outside the sport relationship.

### **2. Exposing a Minor to Imagery**

An adult Participant violates this Policy by intentionally exposing a Minor to imagery of a sexual nature. This provision does not exclude the possibility that similar behavior between adults could constitute Sexual Harassment, as defined in this Policy.

### **3. Intentional Exposure of Private Areas**

An adult Participant violates this Policy by intentionally exposing breasts, buttocks, groin, or genitals, or induces another to do so, to an adult where there is a Power Imbalance, or to a Minor.

### **4. Inappropriate Physical Contact**

An adult Participant violates this Policy by engaging in inappropriate physical contact with a Participant where there is a Power Imbalance. Such inappropriate contact includes, but is not limited to, intentionally:

- a. touching, slapping, or otherwise contacting the buttocks or genitals of a Participant;
- b. excessively touching or hugging a Participant;
- c. kissing a Participant.

### **5. Sex Offender Registry**

A Participant who is currently on any state, federal, territorial, or tribal sex offender registry is ineligible to participate with **OVAS** in any capacity.

## **VIOLATIONS**

Violations of the Sport Protection Policy shall be reported pursuant to **OVAS**' Reporting Policy and will be addressed under its Disciplinary Rules and Procedure.

## **SECTION 4: ATHLETE ABUSE PREVENTION POLICIES**

### **SUPERVISION OF ATHLETES AND PARTICIPANTS**

During instruction, training and competition, **OVAS** strives to create two-deep leadership and minimize one-on-one interactions to create a safe training environment and to protect minor athletes and participants. Two-deep leadership means a minimum of two adult Covered Individuals, or one Covered Individual and the parent/guardian of the relevant athlete, are present when working with an athlete.

For purposes of this Section 4, “ward” means an individual, whether an adult or a minor, who has a legal guardian.

**Covered Individuals are required to abide by these Athlete Abuse Prevention Policies at all OVAS-controlled activities and events, and facilities under OVAS’ jurisdiction (to mean facilities owned and controlled by OVAS; as of January 2020, OVAS does not own or control any facilities).**

### **APPROPRIATE ONE-ON-ONE INTERACTIONS**

One-on-one interactions between a minor/ward athlete and a Covered Individual (who is not the athlete’s parent, guardian or immediate family member) are permitted only if they occur at an observable and interruptible distance by another adult, as described in “Individual Care or Support Session,” or in emergency circumstances. The nature of our mission (ski and snow board instruction) requires that at times an athlete may be “one-on-one” with a Covered Individual on a chair lift or Gondola. These transportation conveyances operate in the common areas of the ski resorts and the riders are observable by others.

**Monitoring.** When one-on-one interactions between Covered Individuals and minor/ward athletes occur at **OVAS** events, other Covered Individuals will monitor these interactions. Monitoring includes: knowing that the one-on-one interaction is occurring, the approximate planned duration of the interaction, and randomly dropping in on the one-on-one.

**Out-of-program contacts.** Covered Individuals are prohibited from interacting one-on-one with unrelated minor/ward athletes in settings outside of the **OVAS** programs that are not observable and interruptible (including, but not limited to, one’s home and individual transportation), unless parent/legal guardian consent is provided for each out-of-program contact. Nonetheless, such arrangements are strongly discouraged.

### **Individual Meetings**

An individual meeting may be necessary to address an athlete’s concerns, training program or competition schedule. Under these circumstances, Covered Individuals are to observe the following guidelines.

- Any individual meeting should occur when others are present and where interactions are at an observable and interruptible distance by another adult.
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of a field of play or preparation area.

- If an individual meeting is to take place in an office, the door should remain unlocked and open, and any windows must be uncovered.

### **Individual Training Sessions**

An individual training session(s) with a minor/ward athlete may also be desired or necessary. Under these circumstances, written permission of a minor/ward athlete's parent or guardian is required in advance of the individual training session(s), and **OVAS** encourages parents and guardians to attend the training session. Individual training sessions should be observable and interruptible by another adult at all times.

### **Individual Care or Support Sessions**

Athletes with disabilities may require additional care or support sessions that should be administered in a private setting. Written permission of the athlete, or a ward athlete's parent or guardian, if applicable, is required in advance of such individual care or support session(s), and sessions must be conducted in compliance with this Handbook and any other applicable **OVAS** policies or protocols. Individuals providing such care must have any required license(s) and must notify, if at all possible, a Covered Individual on location before any individual care or support session takes place. Such individual care or support sessions may include:

- Toileting
- Diapering
- Assistance in changing between clothing and sports equipment

### **PROHIBITED ONE-ON-ONE INTERACTIONS**

Except as set forth above, minor/ward athletes and participants will not be left unattended or unsupervised during **OVAS** activities, including being left alone during practice time, and **OVAS** Covered Individuals are prohibited from being alone with an individual minor/ward athlete or participant in any room or building.

### **VIOLATIONS**

Violations of this policy must be reported to **OVAS** pursuant to its Reporting Policy. Violations will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth therein, including temporary or permanent suspension. **Some violations may constitute physical or sexual abuse that must be reported to appropriate law enforcement authorities.**

## **PHYSICAL CONTACT WITH ATHLETES / STUDENTS**

Appropriate physical contact between athletes and coaches is a productive and inevitable part of sport. Athletes are more likely to acquire advanced skills and enjoy their sport participation through appropriate physical contact. Especially in adaptive sports, athletes may require physical assistance with equipment and movement. Many OVAS athletes also have unique social and emotional needs as a result of their diagnoses. Physical contact in OVAS programs is often used as a means of providing encouragement and support. This encouragement is critical to the social-emotional development of the athlete. All physical contact is for the physical or social-emotional benefit of the individual and is dictated by expressed desire of the participant or parent/guardian.

### **APPROPRIATE PHYSICAL CONTACT**

**Ogden Valley Adaptive Sports** adheres to the following principles and guidelines regarding physical contact with our athletes and students.

#### **Common Criteria for Appropriate Physical Contact**

Physical contact with athletes/students – for safety, consolation, celebration, and social-emotional development – has multiple criteria in common which make them both safe and appropriate. These include:

- the physical contact takes place in public
- there is no potential for, or actual, physical or sexual intimacies during the physical contact
- athlete receive verbal notice of the contact about to take place
- the physical contact is for the benefit of the athlete, not to meet an emotional or other need of an adult
- the athlete or athlete's guardian has communicated that physical contact is desired and constitutes appropriate feedback for the athlete
- the parent or guardian has communicated either verbally or on the OVAS intake Student Information Form that the athlete needs physical input for cognitive understanding and growth

#### **Safety**

The safety of our athletes is paramount, and in many instances, we make the athletic space safer through appropriate physical contact. Examples include:

- spotting an athlete so that they will not be injured by a fall or piece of equipment
- positioning an athlete's body so that they more quickly acquire an athletic skill, get a better sense of where their body is in space, or improve their balance and coordination (with the athlete's consent)
- in emergencies, making athletes aware that they might be in harm's way because of other athletes practicing around them or because of equipment in use
- providing emotional support in the way that athlete is accustomed to in his or her typical daily life and activities
- shifting or supporting a positive emotional state by providing the type of physical contact the athlete customarily receives

## **Celebration**

Sports are physical by definition, and we recognize participants often express their joy of participation, competition, achievement and victory through physical acts. Appropriate public expressions of celebration include:

- greeting gestures such as high-fives and fist bumps
- congratulatory gestures such as celebratory hugs, “jump-arounds” and pats on the back for any form of athletic or personal accomplishment

## **Consolation**

It may be appropriate to console an emotionally distressed athlete (e.g., an athlete who just lost a competition). It may also be appropriate to provide physical contact that an athlete is accustomed to receiving in his or her daily life. Meeting each athlete’s unique needs includes providing physical consolation or encouragement that the athlete has come to expect when he or she is distressed. Appropriate consolation includes publicly:

- putting an arm around an athlete while verbally engaging them in an effort to calm them down
- providing an emotionally safe space for an athlete using the method that most calms or destresses him or her in typical daily life

## **PROHIBITED PHYSICAL CONTACT**

Prohibited forms of physical contact, which shall be reported immediately under our Reporting Policy include, without limitation:

- massages or rubdowns
- asking or having an athlete sit in the lap of a Covered Individual
- lingering or repeated embraces of athletes that go beyond the criteria set forth for acceptable physical contact
- slapping, hitting, punching, kicking or any other physical contact meant to discipline, punish or achieve compliance from an athlete
- “cuddling” or maintaining prolonged physical contact during any aspect of training, travel or overnight stay
- continued physical contact that makes an athlete obviously uncomfortable, whether expressed or not
- any contact that is contrary to a previously expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in a competitive training environment;
- physical conduct in violation of Section 3, the Sport Protection Policy, of this Handbook.

## **VIOLATIONS**

Violations of this policy must be reported to **OVAS** pursuant to its Reporting Policy. Violations will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth

therein, including temporary or permanent suspension. **Some violations may constitute physical or sexual abuse that must be reported to appropriate law enforcement authorities.**

## **ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY**

As part of **OVAS'** emphasis on athlete and student safety, all electronic communications between a Covered Individual and athlete must be professional in nature and for the purpose of communicating information about team activities. The concept of two-deep leadership extends into cyber space. There should be no one-one-one online or digital activities between a Covered Individual and a minor/ward athlete.

**Electronic communication with a minor/ward athlete should copy the athlete's parent or guardian.** If a minor/ward athlete communicates to the Covered Individual privately first, said Covered Individual should copy the athlete's parent or guardian on the response.

### **SOCIAL MEDIA PLATFORMS**

OVAS Staff and volunteers may not "friend" or "follow" **OVAS** athletes/students through their personal social media page(s) or account(s). Athletes may friend the official **OVAS** page. Covered Individuals with authority over minor athletes are not permitted to maintain private social media connections with unrelated minor athletes and such Covered Individuals are not permitted to accept new personal page requests on social media platforms from athletes who are minors, unless the Covered Individual has a fan page, or the contact is deemed as celebrity contact vs. regular contact. Existing social media connections on personal pages with minor athletes shall be discontinued.

### **INSTANT MESSAGING, FACEBOOK MESSAGING, DIRECT MESSAGING, AND SIMILAR MEDIA**

Coaches and athletes may "follow" each other. Coaches cannot "re-tweet" athlete message posts without permission of the athlete, or in the case of minors or wards, their parent or guardian. Coaches should use best judgment and professionalism in the content of their public media posting.

All direct posts and messaging between coach and athlete must be for the purpose of communicating information about team activities and shall copy parents/guardians as required herein.

### **EMAIL, TEXTING, AND SIMILAR ELECTRONIC COMMUNICATIONS**

Athletes and coaches may use email or texting to communicate. All email content between coach and athlete must be professional in nature and for the purpose of communicating information about team activities. Parents or guardians must be copied on communications from a Covered Individual to a minor/ward athlete. Where the Covered Individual is a staff member, emails to any athlete should come from the **OVAS** email service (the coach's return email address will contain "[@ogdenvalleyadaptivesports.org](mailto:@ogdenvalleyadaptivesports.org)"). Communications to an entire team need not be copied to all parents or guardians but must at a minimum be copied to another Covered Individual.

### **ELECTRONIC IMAGERY**

From time to time, digital photos, videos of practice or competition, and other images of athletes – individually or in groups – may be taken by individuals designated by **OVAS** specifically for that purpose. These photos and/or videos may be submitted to local, state or national publications, used in **OVAS** videos or publications, posted on the **OVAS** associated websites or offered to the **OVAS** athlete families seasonally on disc or other electronic form. Such imagery must be appropriate and in the best interest of the athlete and **OVAS**. Imagery must not be contrary to any rules as outlined in **OVAS'** Sport Protection Handbook or other applicable **OVAS** policies.

### **REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS OR IMAGERY**

The athlete, or the parents or guardians of a minor/ward athlete may request, in writing, that their child/ward not be contacted by any form of electronic communication by coaches, and/or that photography or videography of their athlete not be taken or shared. **OVAS** will abide by all such requests, absent emergency circumstances.

### **MISCONDUCT**

Social media and electronic communications can also be used to commit misconduct (e.g., emotional, sexual, bullying, harassment and hazing). Such communications by Covered Individuals or other **OVAS** participants will not be tolerated and are considered violations of this Handbook.

### **VIOLATIONS**

Violations of this policy must be reported to **OVAS** pursuant to its Reporting Policy. Violations will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth therein, including temporary or permanent suspension. **Some violations may constitute physical or sexual abuse that must be reported to appropriate law enforcement authorities.**

## **CHANGING AREAS, RESTROOMS AND LOCKER ROOMS**

The following guidelines are designed to maintain personal privacy, as well as to reduce the risk of misconduct changing areas and restrooms.

### **FACILITIES**

**Ogden Valley Adaptive Sports** provides instruction and lessons for students and athletes at third party locations (Snowbasin Resort, Powder Mountain Resort, and Nordic Valley Resort). As such, there are likely to be people who are not associated with **OVAS** at these locations. **Covered Individuals are nevertheless required to abide by the Athlete Abuse Prevention Policies at such locations.** The changing areas, locker rooms, and restrooms differ from location to location. These locations have all-gender public changing areas and gender-specific restrooms that are shared with the general public. The areas do not have changing areas or lockers rooms in which the athletes/students completely remove their clothing. Our athletes don/doff winter outer garments over base-layer clothing. This significantly reduces the risk of misconduct.

Our athletes and students must don/doff appropriate ski and snow board clothing, including in preparation for the lesson, when done with the lesson, and when using bathroom facilities. If privacy is warranted by the situation, don/doffing of the winter clothing normally is done in the restrooms with the minor athlete's parent/guardian or care giver if necessary. If an athlete needs assistance with his or her gear or an athlete's disability warrants assistance by a parent/guardian, then **OVAS** asks that parents or guardians to let an instructor or volunteer know beforehand that he or she will be helping the athlete, and when. Parents must still abide by all **OVAS** policies regarding use of locker rooms, bathrooms, and changing areas, they may not be alone with unrelated athletes in such areas, and must abide by restrictions regarding female- and male-designated areas. If an OVAS instructor or volunteer is needed, the staff member will be the same gender as the student and all efforts will be made to ensure two or more staff members are aware that OVAS is assisting with the don/doff in a gender-specific public restroom.

### **USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES**

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in restrooms and "traditional" locker rooms and changing areas (OVAS' changing areas are all-gender public areas used to don/doff winter clothing over base-layers). **THERE WILL BE NO USE OF A DEVICE'S RECORDING CAPABILITIES IN RESTROOMS.** Such devices should be left outside of the restroom.

### **ONE-ON-ONE INTERACTIONS**

At no time are unrelated Covered Individuals permitted to be alone with a minor/ward athlete/student in a changing area. In the event that a minor/ward student who requires assistance with clothing removal must use the restroom during a lesson, the OVAS instructor will assure that the student is accompanied by a same-gendered instructor or volunteer and that at least two OVAS covered individuals are aware that the restroom trip is necessary.

### **UNDRESS BY COVERED INDIVIDUALS**

Under no circumstances shall an unrelated Covered Individual intentionally expose his or her breasts, buttocks, groin, or genitals to an athlete / student.

## **VIOLATIONS**

Violations of this policy must be reported to OVAS pursuant to its Reporting Policy. Violations will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth therein, including temporary or permanent suspension. **Some violations may constitute physical or sexual abuse that must be reported to appropriate law enforcement authorities.**

## **TRAVEL**

Ogden Valley Adaptive Sports does not travel with or transport its athletes or students.

## SECTION 5: RESPONDING TO ABUSE, MISCONDUCT AND POLICY VIOLATIONS

### REPORTING POLICY

#### REPORTING

**Note:** Nothing in this policy shall be construed to require a victim of child abuse or other misconduct to self-report.

No one should investigate suspicions or allegations of child abuse or other Prohibited Conduct, or attempt to evaluate the credibility or validity of allegations as a condition of reporting to **OVAS** or to appropriate authorities.

#### A. Reporting Requirements related to:

##### 1. Child Abuse

A Covered Individual who learns of information and reasonably suspects that a minor or ward has suffered an incident of child abuse, including sexual abuse, shall immediately make a report of the suspected abuse to *both* Law Enforcement and **OVAS**:

###### a. Law Enforcement

- i. The agency designated by the Attorney General, consistent with federal requirements set forth in section 226 of the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341).
- ii. Any applicable state law enforcement agencies.

Learn more about this requirement by visiting:

<https://www.childwelfare.gov/topics/responding/reporting>

###### b. **Ogden Valley Adaptive Sports**

- i. By Phone at (801) 695-7074, during regular business hours (Monday-Friday, 9:00 AM MT – 5:00 PM MT.)
- ii. Directly to the **OVAS** Incident Review Official: **Vice-President Board of Directors (currently Dave del Carlo) on ddelcarlo@ogdenvalleyadaptivesports.org or OVAS@ogdenvalleyadaptivesports.org**

Reporting such conduct to **OVAS** does not satisfy an Adult Participant's obligation to report to law enforcement or other appropriate authorities consistent with section 226 of the Victims of Child Abuse Act of 1990 (34 U.S.C. § 20341).

##### 2. Sexual Misconduct

**Ogden Valley Adaptive Sports** encourages *anyone* who experiences or becomes aware of an incident of Sexual Misconduct involving a Participant to immediately report the incident to **OVAS** (and/or to law enforcement if the matter involves possible criminal conduct).

Covered Individuals **must** promptly report possible Sexual Misconduct directly to **OVAS** whenever such Participants become aware of conduct that could constitute Sexual Misconduct.

### **3. Emotional and Physical Misconduct**

Covered Individuals are required to report to **OVAS** emotional and physical misconduct (including bullying, stalking, hazing, and harassment) prohibited under this Handbook, and violations of other proactive policies. Reports to **OVAS** can be made:

- i. By Phone at (801) 695-7074, during regular business hours (Monday-Friday, 9:00 AM MT – 5:00 PM MT.)
- ii. Directly to the **OVAS** Incident Review Official: **Vice-President Board of Directors (currently Dave del Carlo) on [ddelcarlo@ogdenvalleyadaptivesports.org](mailto:ddelcarlo@ogdenvalleyadaptivesports.org) or [OVAS@ogdenvalleyadaptivesports.org](mailto:OVAS@ogdenvalleyadaptivesports.org)**

### **4. Other Misconduct and Abuse of Disabled Individuals**

Covered Individuals are required to report to **OVAS all** other Prohibited Conduct or Handbook violations. **Covered Individuals may also be required to report abuse of disabled individuals to a state agency in certain jurisdictions.**

#### **B. Anonymous Reports**

Reports may be made anonymously to **OVAS**. Anonymity means **OVAS** will not know the personally identifying information of the reporter. It does not mean that the underlying information will be protected. However, an anonymous report may limit **OVAS'** ability to investigate and respond to a report, and if an Adult Participant reports anonymously, it may not be possible for **OVAS** to verify that mandatory reporting obligations have been satisfied. *Consequently, **OVAS** strongly encourages Covered Individuals to provide their name and contact information when reporting.*

#### **C. Confidentiality for Third-Party Reporters**

Unless necessary to **OVAS'** investigation or resolution of a matter, **OVAS** does not disclose a Third-Party Reporter's personally identifying information.

#### **D. Reporting Options for Claimants**

A Claimant may choose to make a report to **OVAS** to pursue resolution under these procedures and may also choose to make a report to law enforcement and/or pursue available civil or administrative remedies. A Claimant may pursue one, some, or all of these options at the same time.

A Claimant who wishes to pursue criminal action in addition to, or instead of, making a report under these procedures should contact law enforcement and/or legal counsel directly.

#### **E. Claimant's Request for Anonymity**

A Claimant may request that personally-identifying information not be shared with a Respondent. **OVAS** will seek to honor the Claimant's request(s) if it is possible to do so while also protecting the health and safety of the Claimant and the sporting community.

*If the Claimant's request for anonymity can be honored*

If **OVAS** determines a Claimant's request that personally-identifying information not be shared with Respondent can be honored, the Center may take other appropriate steps designed to eliminate the reported conduct, prevent its recurrence, and remedy its effect on the Claimant and sporting community. Those steps may include offering appropriate remedial measures to the Claimant, providing targeted training or prevention programs, and/or providing or imposing other remedies tailored to the circumstances as a form of alternative resolution.

*If the Claimant's request for anonymity cannot be honored*

If **OVAS** determines it cannot honor a Claimant's request(s) that personally-identifying information not be shared with the Respondent, that no investigation be pursued, and/or that no disciplinary action be taken, **OVAS** may direct appropriate actions, which may include, without limitation: (i) imposing a no contact directive or other temporary measure; (ii) initiating an investigation; and (iii) arranging, imposing, or extending any other appropriate remedial and/or protective measures.

In such cases, **OVAS** will make reasonable efforts to protect the privacy of the Claimant. However, actions that may be required as part of any investigation will involve speaking with the Respondent and others who may have relevant information, in which case the Claimant's identity may have to be disclosed. In such cases, **OVAS** will notify the Claimant that **OVAS** intends to proceed with an investigation, but the Claimant is not required to participate in the investigation or in any other actions taken by **OVAS**.

## **F. Privacy**

**Ogden Valley Adaptive Sports** is committed to protecting the privacy of all individuals involved in the investigation and resolution of reported allegations. With respect to any report under these procedures, **OVAS**, in its discretion, will make reasonable efforts to protect the privacy of individuals involved in **OVAS'** process, while balancing the need to gather information to assess a report and to take steps to eliminate Prohibited Conduct.

Information will be shared as necessary with **OVAS** staff and counsel, witnesses, and the parties. It may also be necessary for **OVAS** to notify law enforcement of an allegation of misconduct.

### *Parental/Guardian Notification*

Ogden Valley Adaptive Sports reserves the right to notify guardians of Claimants regarding any health or safety risk.

## **HOW REPORTS ARE HANDLED**

***Suspicious or Allegations of Child Physical or Sexual Abuse and Abuse of Disabled Persons***  
**Ogden Valley Adaptive Sports will report all suspicions or allegations of child physical or sexual abuse to appropriate law enforcement authorities. Ogden Valley Adaptive Sports will also report abuse of disabled persons to law enforcement as required by law or on its own initiative. Ogden Valley Adaptive Sports will not attempt to evaluate the credibility or validity of the allegations as a condition for reporting to appropriate law enforcement authorities.** As necessary,

however, **OVAS** may ask a few clarifying questions of the person making the report to adequately report the suspicion or allegation to law enforcement authorities.

### ***Immediate Suspension or Termination***

When an allegation of physical or sexual abuse, or other misconduct, is made against a Participant, **OVAS** may immediately remove that individual Participant from contact with other **OVAS** participants until the allegation has been investigated by an official law enforcement agency, **OVAS** makes further inquiry, or otherwise.

### **NOTIFICATION**

Following **OVAS'** notice of a credible allegation of misconduct by a Participant, **OVAS** considers the circumstances in which it will notify parents or guardians of athletes with whom the accused individual may have had contact. At **OVAS'** discretion, as appropriate, **OVAS** may notify its staff members, contractors, volunteers, parents, and/or athletes of any allegation of child physical or sexual abuse or other criminal behavior or misconduct that (1) law enforcement authorities are actively investigating; or (2) **OVAS** is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.

## **DISCIPLINARY RULES AND PROCEDURE**

### **RECEIPT OF ALLEGATIONS**

On receipt of an allegation of misconduct or other violation of this Handbook, **OVAS** will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the Claimant, (ii) the age of the Respondent, and (iii) the nature, scope and extent of the allegations. In addition to reporting to law enforcement as required or as **OVAS** may determine, possible responses include emergency suspension, further investigation, or other disciplinary action. **Ogden Valley Adaptive Sports** may undertake a formal investigation in its discretion and may investigate allegations of child physical or sexual abuse, or other misconduct, that have been reported to law enforcement if such investigation does not interfere with any ongoing criminal investigation or prosecution for the same. If the Respondent is a minor, **OVAS** will contact his or her parents or guardians.

**Ogden Valley Adaptive Sports** will address allegations against a staff member under its employment policies.

### **EMERGENCY SUSPENSION**

In certain cases, **OVAS** may temporarily suspend the Respondent pending final resolution of the complaint to eliminate any potential danger to an athlete, sport participant or other individual. Such temporary suspension is not subject to contest or appeal. The determination to temporarily suspend an individual shall be made by the Vice-President of the Board of Directors.

An emergency suspension may prohibit the Respondent from participating in any capacity or in any role in the business, events or activities of **OVAS** during the suspension, or impose other appropriate restrictions.

### **INVESTIGATION**

As appropriate, and at its discretion, **OVAS** may institute a formal investigation of the allegations.

### **DISCIPLINARY ACTION**

In cases where **OVAS** determines that an investigation is not necessary, or after investigation if applicable, **OVAS' Vice-President of the Board of Directors** shall determine the appropriate disciplinary action in each case, if any. Sanctions for violations of the Sport Protection Handbook will be proportionate and reasonable under the circumstances. **Ogden Valley Adaptive Sports** may take the following disciplinary actions, without limitation:

- Inform the Respondent's direct-line supervisor or in the case of a minor, the minor's parent or guardian
- Provide the Respondent with guidance, redirection and instruction
- Temporary suspension from competition or participation
- Issue a verbal warning
- Issue a written warning
- Implement a limited access agreement (e.g., limiting an individual's access to certain facilities)
- Engage in restorative practices (i.e., creation of a respectful and safe dialogue when a misunderstanding or harm has occurred)

- Suspend or terminating employment, membership, or participation

**Ogden Valley Adaptive Sports** will notify a Respondent in writing of the Vice-President of the Board of Directors' decision. A copy of such decision shall be sent to Move United.

### **APPEAL**

A Respondent shall have the option, within 10 days of the date of written notice of any disciplinary action, to appeal the Vice-President of the Board of Directors' decision to the OVAS Executive Committee. Any appeal must be in writing and clearly state the grounds for appeal.

The Chair of the Executive Committee may ask additional questions of the Respondent, Claimant, or other witnesses. The decision of the Executive Committee is final and binding. A copy of such decision shall be sent to Move United.

## **SECTION 6: MONITORING OVAS' STRATEGY**

By monitoring the interactions among staff, volunteers, athletes and others, OVAS works to prevent, recognize and respond to inappropriate and harmful behaviors as set forth in our Sport Protection Handbook, while reinforcing appropriate behaviors.

### **MONITORING COMPLIANCE WITH POLICIES AND PROCEDURES**

Ogden Valley Adaptive Sports monitors compliance with its policies and procedures, including without limitation, its Awareness Training, Changing Areas and Restroom, and Physical Contact Policies.

### **MONITORING METHODS**

Ogden Valley Adaptive Sports utilizes multiple monitoring methods to observe how individuals are interacting, including without limitation (1) formal supervision, including regular evaluations; and (2) informal supervision, including regular and random observation (e.g., roving and checking interactions throughout practices), and (3) maintaining frequent contact with staff members, volunteer and athletes who interact off-site.

### **RESPONDING TO INTERACTIONS**

While OVAS has a formal reporting policy, staff members and volunteers should be prepared to respond immediately to inappropriate or harmful behavior, potential risk situations and potential boundary violations.

Staff members and volunteers will redirect inappropriate behaviors to promote positive behaviors, confront inappropriate or harmful behaviors and report behaviors if necessary.
